RE:

RHB 1078-***AN ACT CONCERNING AFFORDABLE AND RELIABLE ENERGY.***

and

RHB 6985-***AN ACT INCREASING NATURAL GAS TRANSPORTATION CAPACITY.***

Say no to Bill RHB 1078 and RHB 6985! These two bills are NOT in the taxpayers interest! They seek to expand fracked gas pipeline capacity and to make ratepayers subsidize this. This goes against CT environmental leadership and leads us away from the path to a better future for all.

Most Sincerely,
Heather Ferris
